

Are you looking for a worthwhile civics lesson,
ready-to-deliver-remotely?

...a lesson with substance and accurate,
up-to-date information about the upcoming
elections?

The League of Women Voters is here to help...

In the time of Covid-19: How to Register and Vote from Home

A complete lesson package developed by the League of Women Voters, a non-partisan organization, to help **Get Out the Vote**

Download and use it remotely during the last days of school – just prior to the NJ Primary Election on July 7, 2020 – and in the fall to prepare for the Presidential Election.

In addition to the **Teacher Packet**, we include a **Student Advocate Toolkit**. Students can **apply** what they learn **immediately** by helping others in their households overcome hesitation about voting by mail -- many have never done so before and may need help with the process

Your students will learn how, using online resources, to register, to obtain a vote by mail ballot and to actually vote by mail ... all based on **the most up-to-date information from the Governor's office.**
